Good question, Whitney. Tom, Mita – If you anticipate making a fair number of edits, I'd propose we wait until after your review to do the cleanup. If not, we could start with a clean copy before routing to you. Thoughts?

Thanks Kavita. Question for the group- and apologies for not remembering- are we creating clean versions for Mita/Tom, or are we waiting until after their review to accept all changes?

Thanks!
Whitney

Hi Rosemary,

Sure, I will add it now. Kavita is the reviewer for Code 1, so that works out too.

Best,
Whitney

Thanks, Kavita – looks good to me. Kelly and Whitney – Want to see if this (and presumably Code 1e after Michael reviews) fit into the Code 1 summary/response before sending on to Tom & Mita? If you've already sent to them, we can send this separately and then fold in.

Kavita (for Code 1d) and Michael (for Code 1e) –

I've drafted responses for the short comments on each of these – around one total page each. The first comment is the same for both, so I wrote one answer (first paragraph under EPA Response) that could cover both if combined.

Kelly and Whitney, and Matt as ORC reviewer – I think these probably belong rolled up under Code 1, Program submission elements. (I scanned and didn't see the comments already covered there.)
